Family Summer Camp

a rustic rural camp experience for families
Our Family Summer Camp offers a rustic rural escape for families who are ready to get back outside after months of staying in! Our camp facilities provide an ideal base for you to get back to basics together, whilst exploring the Brecon Beacons and Black Mountains or to just unwind and take in some much needed fresh air whilst reconnecting with nature.
Campers are welcome to explore the 16 acres of farmland belonging to the centre including the woodland and banks of the river Monnow. Base Camp consists of 5 Bell Tents in total - generously spaced to allow groups to enjoy their own picnic area.
Ideally placed our Family Bell Tents occupy a stunning position overlooking the Monnow Valley with far-reaching views. On a clear night, campers can star gaze and admire the Brecon Beacons dark Skies natural reserve- one of only five locations in the world with the status!

Each tent sleeps a maximum of 6 family members with sleeping mats and easy access to a privately zoned shower and toilet facilities within a newly renovated external shower block. An indoor communal area is available with washing up facilities, microwave oven and each tent has its own picnic area. Wi-Fi available.
